WELCOME TO **THE BATH BREW HOUSE**

Located in the heart of Bath, our pub is the ideal location to host your event. From parties to away-days, intimate drinks or a big knees up, we'll work with you to create your ideal event with us!

If you're looking for a space exclusive to you, we've got our Tank Room on the first floor with views of our fermentation tanks and comes complete with it's own private bar. Or how about our old skittle alley with plenty of seating in the heart of the action?

We've got you covered whatever the season, with our garden marquee that pops up between September and March every year. If you're one for alfresco drinks and dinner, make sure you take advantage of our huge and colourful beer garden for those warmer months.

Whatever you're after, let us know and we'll be sure to have an area perfect for you. Just don't forget to get stuck in to our delicious beer brewed on-site!

THE TANK ROOM

Home to the fermentation tanks for our brewery, the Tank Room is our upstairs function room and comes complete with it's own bar for the ultimate hosting space. Enjoy private lunches or dinners, birthdays or receptions, business events and presentations and much more in this great multi-functional room.
